Education

- **Master's Degree in Economics**, track in General Economics, 2025-2027
- **Bachelor's Degree in Political Science**, L-36, Economics track, 2021-2024.
Thesis: "Emission permits and the EU ETS" (Supervisor: Prof.Pench)
- **Diploma** Liceo scientifico

Work Experience

- **03/2024 - 04/2024: Intern at INPA s.p.a.**
Market research: I analyzed the pickles market to find any interesting market niches to enter in order to meet consumer demand.
Process optimization: I have rationalized certain business processes in terms of both goods-unloading logistics and product analysis using bills of materials.
